LOCATION

Flat 171B is situated on Brighton Road which is the main high street in Coulsdon with Croydon 4 miles to the North and Redhill 5 miles to the South along the A23.

Coulsdon has good access both to the M25 at Junction 7 and the M23 though Redhill / Gatwick.

Cousldon is a smaller town benefiting from the links with Croydon and London while offering the usual mix of suburban residential property from large houses to the usual town centre flats. It also benefits from two rail stations at either end of the high street providing connections to all of the London stations for commuting.

Like Purley the town of Coulsdon is benefiting from Investment in order to provide modern infrastructure and encourage more commercial development which has brought Cafe Nero, Costa Coffee & Aldi supermarket to the high street.

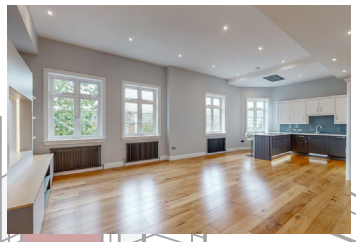

DESCRIPTION

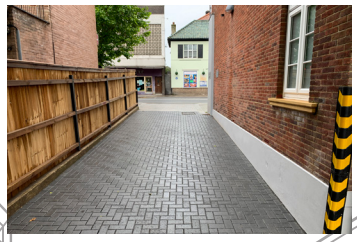

The property comprises the right half of the entire first floor on a two story building above a restaurant.

The other half of the first floor is a slightly larger luxury flat which is also accessed from the same lobby. The lobby is reached from external galvanised steps to the rear of the restaurant where two reserved parking spaces are allocated to each flat. Completely restored and improved in 2019 both flats have two bedrooms and two bathrooms using luxury fittings, wooden floors, carpeted bedrooms, fitted wardrobes and designer lighting.

The kitchen has a Corin work surface, fitted Bosch appliances and designer LED plinth lighting. Both bathrooms are fully tiled with Roca fittings and underfloor heating. Nest Doorbell, Thermostat and Smoke detectors are also fitted.
